Beach & Edinger Workshop #2

Come discuss the future of two of Huntington Beach's major streets

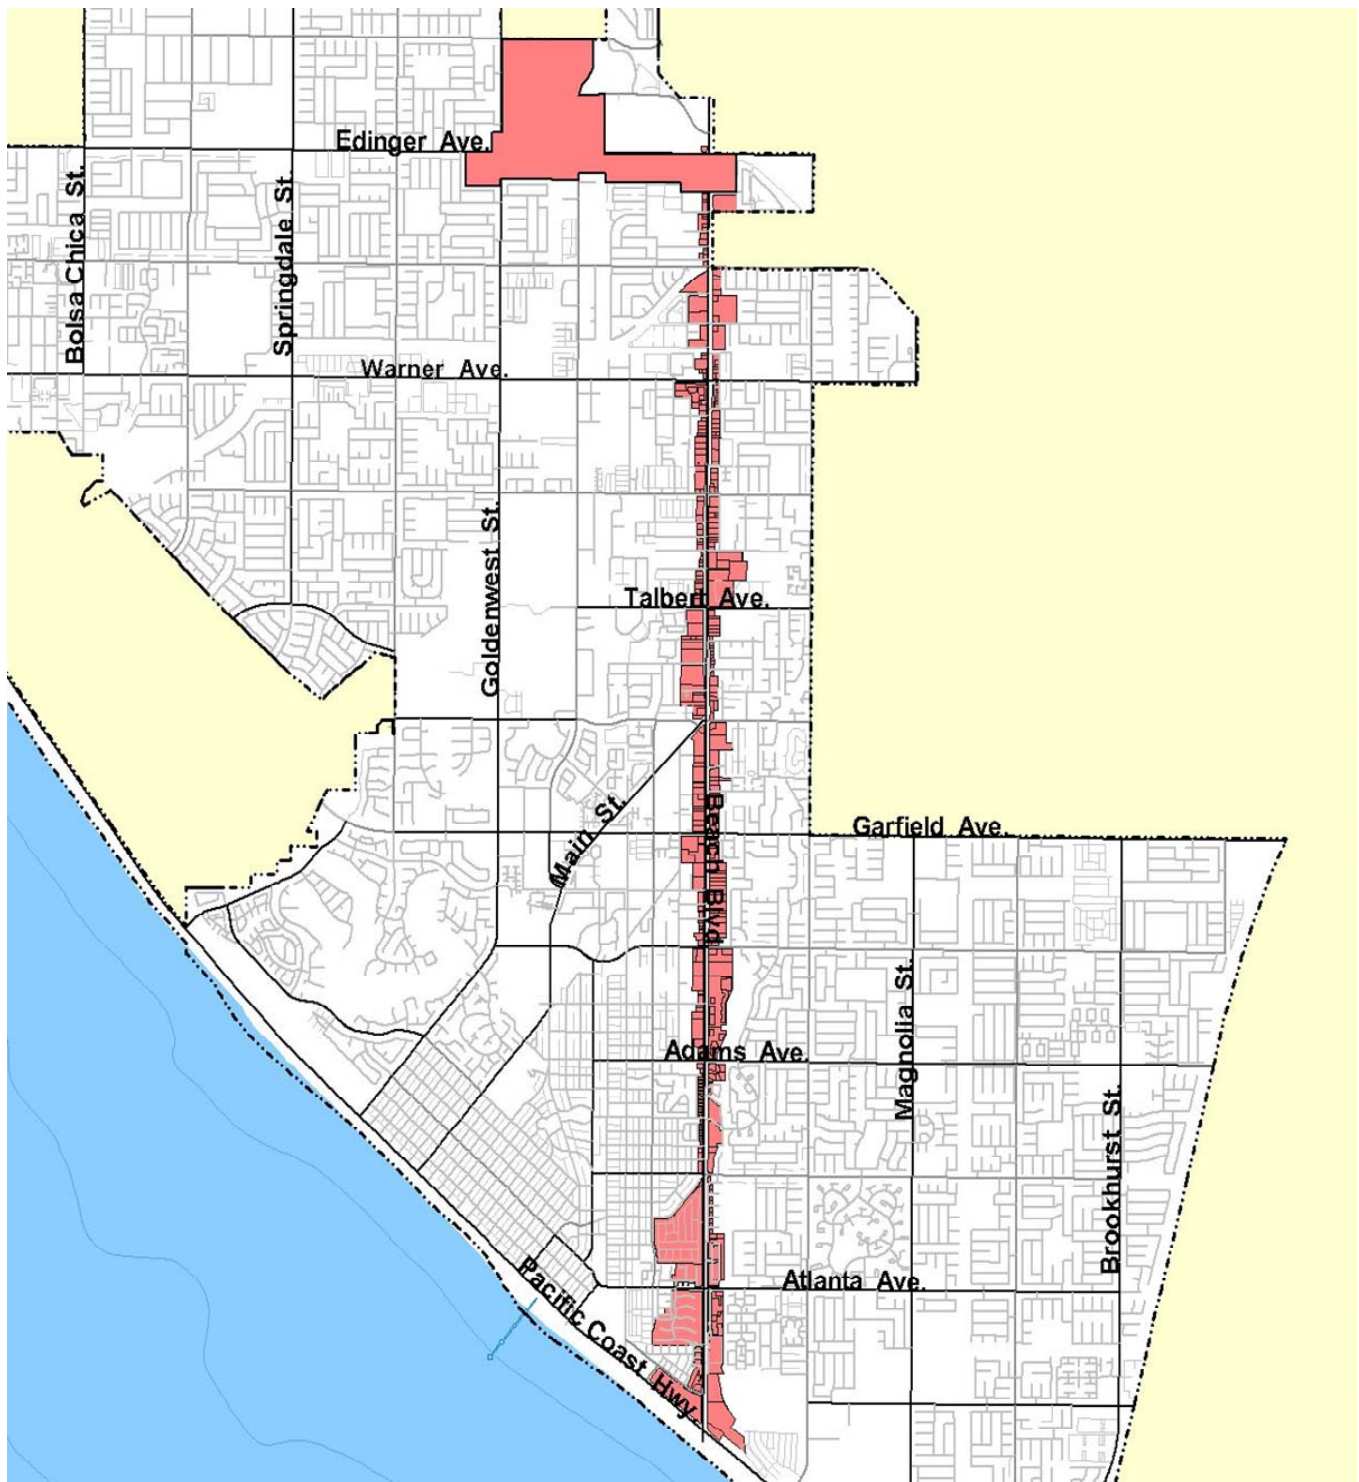

Your ideas and knowledge of these major streets is vital to the success of this important effort!

Please join us at the second community workshop to contribute your ideas to the corridor revitalization. At the workshop you will also learn more about the economic and transportation issues associated with this project.

Goals for Beach Blvd. & Edinger Avenue:

- ♦ **New Vision**
- ♦ **New Zoning**
- ♦ **New Image**

If you live, work or are doing business along or near Beach Boulevard and Edinger Avenue we want to hear from you!
